Our Profile

KING INTERIOR SERVICES Ltd. is a well established company based in Quatre Bornes, Mauritius, specializing in interior renovation & structures.

We cover everything from making false ceiling, dry wall partitions to flooring and complete office, shop & houses interior installations.

We pride ourselves in giving a personalised and quality service and we always strive to achieve minimum disruption while undertaking any refurbishment work.

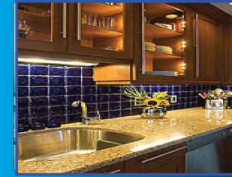

We understand that customer satisfaction is the key to success and that is why we work hard to ensure that our customer receive a service of high quality that continues to build our reputation.

With many years of experience, we offer reliable, efficient & friendly service at competitive price.
